

# ***MICHELIN AUTOMOTIVE ACCESSORIES***

---

***2019 RANGE***

# ***THE MICHELIN BRAND***

---

Michelin's mission is to contribute in a sustainable way to progress in the mobility of people and goods by constantly making travelling safer, easier, more enjoyable, more economical and more respectful of people and the environment.

The MICHELIN brand enjoys almost 100% brand recognition in mature markets (France, Germany, UK, Spain, Italy and USA) as well as Turkey and Taiwan and over 85% in most other countries, including China, Russia, Mexico and Japan.

Consumers around the world agree on what the MICHELIN brand means to them:

- Road safety
- Superior quality
- Reliability
- High-performance products
- Long-lasting tyres
- A long history (in mature markets)
- Professionalism (in developing markets)

The Michelin Man is the symbol of the MICHELIN brand and has been its standard bearer all over the world since 1898. His enduring popularity, his presence among his audience and the spirit that has always been his driving force led him to be voted best advertising icon of all time (Source: Financial Times, 2000).

# ***ML DIRECT***

---

Expanding on the success of Michelin Auto Accessories in major markets such as North America and Western Europe, ML Direct was established in response to customer demand to drive the distribution and customer usage of Michelin Auto Accessories in wider international markets.

Identifying and working closely with the best distribution partners in each market, ML Direct works to understand customer needs and to match this with the correct Michelin-branded product offer.

Sourcing from a diverse range of Michelin accredited suppliers and utilizing the most appropriate routes to market, ML Direct introduces high quality Michelin-branded Auto Accessories to new customers everyday all over the World.

# ***WIPER BLADES***

---

*DRIVING IN WET AND WINTRY CONDITIONS CAN LEAD TO INCREASED DANGER  
FOR THE MOTORIST  
MICHELIN HAS ALWAYS HAD A STRONG COMMITMENT TO IMPROVING  
DRIVER SAFETY AND MICHELIN WIPER BLADES REINFORCE THAT COMMITMENT*

# MICHELIN RAINFORCE HYBRID

**New!**

EZ-Lok™ Connector  
For fast, easy installation

Fit-Right Design  
Adjusts to curve of windscreen  
Better surface contact

Durable Rubber  
blade  
Quiet operation  
Long Life

Flexible Blade design  
Holds blade firmly against windscreen  
Protects mechanism from clogging  
in snow and ice

## All Season Blade

Heavy  
Rain

Sleet  
Snow

Extreme  
Heat

- EZ-LOK™ Connectors - Fast and easy installation
- Flexible Blade Design - Holds blade firmly against glass
- Protects mechanism from clogging in snow and ice
- Fit-Right Design - Adjust to windscreen curve - Better surface contact
- Durable Rubber Blade - Quiet operation - Long life

Range size 35, 38, 40, 43,, 45, 48, 50, 53, 56, 60, 65, 70cm  
Contact ML Direct for further details  
The ideal wiper replacement solution for many older model  
vehicles with traditional arm styles.
